

Feedback from PD Winter Party 14.12.15

Hayley Croucher (TA from Chatsworth):

"I thought it was brilliant.....the children loved the dancing and the cake decorating as well."

"The party was nice for the parents so they could see what other people were experiencing as well. They had children of a similar age".

AMcD (yr 6 pupil):

"I really liked the way we got to introduce ourselves to each other at the start of the party. I met some really nice people. The cake decorating was brilliant, and I'm really proud of the medal I won. I also liked doing the Macarena dance. I think the party was too short, it was over too soon."

Fiona Matthews (TA Marlborough)

'The party was enjoyable. We had a nice time.'

Fiona suggested face painting, tattoos, and to increase the time of the party to include lunch time.

J K (yr. 5 Marlborough) smiled and nodded.

Lakshmi Sharma (TA Heston Primary)

I would have liked the party to last longer, with more activities involving movement (which suited her pupil) and less food (too close after lunch).

S C (yr. 6) said:

S enjoyed the Macarena (2nd time he has done it) and the sausage rolls, pizza and juice. He has the pens in class from the party bag. He thought the best part was when Nikki left two people behind and had to go back for them as that was fun.

AK (yr.5 Strand Juniors) said:

'The party was fun I really enjoyed it. I love to meet new people and I met Dwayne, Grace, Meredith and Jaslene. They were very nice.

I really enjoyed the cake decorating and the Macarena. The MACARENA was my favourite. What I liked about the food was the Pizza'.
